

Reminder: All newsletter submissions must be received by the 25th of each month to be included in the following issue.

Letters From Our Executive Board Officers:

Michael Rhodes - President

Happy New Year to one and all. I hope that each of you had a good holiday, filled with friends, family, and of course, your favorite rocks and minerals! This month begins the new fiscal year for the Northwest Federation. This will align our year with the calendar and make it much easier for our treasurer to get the taxes aligned with the requirements of the IRS. It will , however, make it a long time between our annual meeting and the assumption of office for new officers. It will be interesting to see how these changes work out. Our next annual meeting will be held in conjunction with the Hellgate, MT Show in March. I am looking forward to meeting NFMS Directors and Delegates from each club in the federation. While there are no big changes proposed for the annual meeting, it is still good to meet and discuss the needs of the federation. I hope that each of you had the opportunity to fill out the endowment fund survey sent to the clubs in November. The survey needs to be completed and submitted by January 31. The results will help us discuss opportunities for the use of endowment fund monies for the benefit of federation members. I hope you have plans to get out and enjoy our hobby in the weeks and months ahead. If we, as an Executive Board can be of help, or answer any questions please let us know, Our contact information is at the end of this newsletter. As always, ROCK ON'!!!!

Letters From Our Committee Officers Continued:**June Dorning - 2nd Vice President**

Happy New Year, I hope everyone is doing well. I am not much of a writer, so usually my input is very little. But because this is my first time submitting to the newsletter, I would like to introduce myself. My name is June Dorning, I have been a member of the Yakima Rock & Mineral Club since 2015. I help out with our annual rock & mineral show, I am currently the Vice President and become President at our January meeting. I am also a long-time gold prospector. I have been a secretary and Vice President for the Yakima Prospector association; I also have been secretary and V.P. for the Yakima Rock & Mineral Club.

I attend several gold shows a year and I have been actively working in getting the rock & mineral clubs involved in these shows because I firmly believe that they should represent each other because they are all minerals and it opens up more ground to our hobby.

June Dorning, 2nd V.P.

**Judi Allison - Secretary (Treasurer Pro Tem)****Secretary Report:**

Hello everyone. It is hard to believe that we are already into the new year! I have noticed that as I age, those years do actually seem shorter. I guess if you look at it statistically, the percentage I have in front of me compared to the percentage behind is a lot smaller. But I still plan to be around for a bit longer.

Although you may not see results overtly, we have accomplished a lot this last year. Just changing the fiscal year to coincide with the actual calendar year is going to be a real boon. We had a great show and meeting in Walla Walla with some productive input. The Endowment Fund Committee has managed to find a means to reach all the Federation by the volunteerism of Anna McKinney of the Marysville Club (and others) in creating an online Google survey. She even set it up so that members who don't have computer access, or who are not comfortable with the process can do a hard copy. You have until the 26th of January to give your input. Keep in mind that the infor-

mation gleaned from this survey will drive the direction the Endowment Fund Committee goes in using the expendable monies from the Endowment Fund. So, if you participate in the survey, you are having a say in what is happening in our Federation on a personal basis.

The 2026 NFMS Show in Missoula, Montana will be here before you know it! March 20-21 is rapidly sneaking up on us. Be sure to get your reservation in. And, if you want to put in a display, there are forms to complete. We can use some rocks for the silent auction, as the Federation will gain the proceeds from such. We also need bodies who are willing to work at the silent auction. I know that our Federation Silent auction go-to person, Roberta Hanson, and sidekick, Susie Koppert will be there doing all they can to help. But their bodies are like mine-becoming more frail with age. Some brawny men would be a very welcome addition.

You will want to attend the show so you can grab one of the really cool NFMS T-shirts that were designed by our own Education Chair, Lora Hall. There is a limited number, so you will want to be in line early. As you can see, there are some exciting things on the horizon. You can access information for the show in our newsletter, or on the northwestfederation.org website. Find the title "Federation Show" on the right-hand side of the front page and click on it. Or you can go directly to the Hellgate Mineral Society's website. Simply go to hellgatemineralalso-ciety.org and click on the link 2026 Gem and Mineral Show. You will find all the forms and information you need to get ready to attend. Whether you have been there before or not, take this opportunity to visit Montana. It is a big, beautiful, diverse state.

I also want to remind folks that there is still time to enter the bulletin aids contest. Remember, newsletter editors, you can enter your bulletin, an article or poem or something else written by a member. If you are not sure what to do, feel free to reach out to our BEAC chair, Priscilla Hall-Ford or me for some guidance. Let's showcase all the great work editors do on their club's bulletins!

Continued on page 6

Treasurer Report

First, I am only writing this to give Adam a chance to get his feet wet, as I will charge him for coming up with some clever or enlightening missive for the February newsletter. We still have not heard officially, but barring any additional holdups, he should be able to start taking care of

business soon. I have been turning the information for the membership numbers over to him, as he can keep track of them without the need of the bank account. Since I needed to start the process of collecting the dues, I will finish that process, so it will be more seamless. Adam is going to get the privilege of doing all the spreadsheets for the accounting information. You should all be happy that it will be out of my hands, since my accounting methods are a bit like the game of horseshoes. Close can still earn you a point, right? I know Adam will do a great job, and he assured me he wouldn't jump ship any time soon. So, I am holding him to it.

Thanks to all the clubs that have paid their dues. Hopefully, even though we don't have electronic payments, the ability to send in your information via email will make the process simpler. Treasurers, if you have not received a notice about your club's dues, please reach out to me at [nfmssec \(at\) gmail.com](mailto:nfmssec(at)gmail.com). Remember that if you don't get your dues in early enough, your information will remain the same as last year in the Directory. I haven't spoken to her yet, but barring any issues on Janel's side, they should be ready to be picked up at the annual meeting. Remember that these Directories are a helpful tool to contact other clubs and should be used as such. I do know there has been some talk about putting the Directory in an online format and simply having a digital copy. I think there has to be some research on how to keep that information secure, but I am quite certain that can be accomplished. If folks have ideas or suggestions, feel free to contact me with them.

I know that Micheal, our 2026 President added the purchase of the equipment to facilitate using Zoom for meetings. This will make it easier for more folks to join in even if they are physically unable to come. I do want to add, though, that there is nothing more rewarding than actually being physically at a show. One gets to see old friends, meet new ones, survey how the host club does things and enjoy material from different locations. It is a "feel good" situation. If you are a director, hopefully, your

club has some sort of reimbursement for your services. So, let's meet in Missoula! I'll be there! I hope to see you!

NFMS Safety Chair Articles - Kathryn Larson:

It's wintertime and it's cold out there. Brrrrrrrr! When the wind starts blowing it becomes even colder. The other day it felt like the wind was blowing directly off a mountain of snow. And as we age our bodies lose heat more quickly than they used to.

When you go outside, wear multiple loose layers of clothing. Wear hats, gloves, warm socks. I usually stay warm, but I really like wearing gloves. I try to keep a pair in my coat pockets. I also try to remember to wear sturdy slip-resistant boots or shoes for traction. It's very easy to slip when everything gets coated with ice. Landing hard on a sheet of ice is a good way to break a bone.

Limit your exposure outside when it's really cold and drink plenty of liquids. We may not feel thirsty, but we still need to drink water. I like drinking hot water with slices of lemon. It's refreshing and not loaded with sugar or caffeine. Even though we're stuck inside we still need to stretch occasionally and move around. And remember to check on your neighbors, especially the older ones.

Hang in there. Spring is coming.

EYE SAFETY

Most of us work around rocks daily. Our eyes are a valuable commodity. We use them to spot flaws in our stones, look for scratches in our cabochons and enjoy the beauty of our rocks. Over 125,000 eye injuries occur every year. Up to 20% of these injuries cause temporary or permanent vision loss.

When you are out in the field digging, hammering or chiseling rocks, use safety glasses to protect your eyes from flying chips. Air-blown dust and sand can get into your eyes and causes scratches on the outermost layer of your eye, the cornea. Wear goggles while working in the shop grinding, sanding or polishing stones. Wear your safety goggles anywhere there is a chance of flying pieces. Wild-fire smoke can cause red, burning, itchy eyes. Keep eye drops on hand to wash out any debris. Be careful of others around you watching you work.

If any injuries occur, contact your doctor for advice. The doctor may suggest flushing your eye with sterile water before coming to see him.

You only have one set of eyes. Protect them.

Attention: Newsletter Editors (and Creative Members)

If you are a newsletter editor, we need you! You are the individual who will submit some of the work that folks have done for your newsletter to the bulletin aids contest. Did you have a club member make a clever poem that you published? Did someone write about a field trip? Did someone share about their rockhounding vacation. These are all things that can be entered in the bulletin aids contest. Material from 2025 will be what is entered into the current contest. If you are a member who submitted something to your newsletter, encourage your editor to enter it into the contest. Maybe you can even research the category to help with the process. To do this, you can go to www.amfed.org/contests and find bulletin aids contest. There are many categories and score sheets. You find the one that fits your member's submission and enter the correct information at the top. Do this for each item

you want to submit. They will be sent to our BEAC Chair Priscilla Hall-Ford and she will take care of the judging process. Think about how your member will feel when he/she finds out they were recognized by the NFMS for submitting something to the newsletter. Remember, you can also enter your newsletter as an item for the contest. I know all the information can be a bit overwhelming but just reach out to someone for help. I will be the first to admit I don't know everything about the process, but you can be assured that if you contact me, you will at least get an answer from me, and I will try to help you in any way possible. So, let's show off our members' creativity. The deadline will be coming up soon, so get prepared.

ADVANCE REGISTRATION **Submission Deadline: February 20, 2025** **Northwest Federation of Mineralogical Societies** **and Hellgate Mineral Society Present** **Treasures of the Northwest**

Treasures of the Northwest

Hello from the mountains of Montana and welcome to the Hellgate Mineral Society (HMS) Annual Gem and Mineral Show, the *Treasures of the Northwest*, and the 2026 Northwest Federation of Mineralogical Societies (NFMS) Convention. The show is set for Saturday and Sunday, March 21-22, 2026.

The show is being held at the Hilton Garden Inn, 3720 N Reserve St, Missoula, MT 59808, Phone (406) 532-5300. The Hilton Garden has set aside ten rooms for NFMS members and vendors on a first come, first served basis.

Daily admission is \$5.00 per person, with children under 12 free when accompanied by a paying adult. The show will be offering exhibitions on wire wrapping, flint knapping, silver smithing, gold panning, and fossil prepping. Fun activities include raffles for rock-hounding paraphernalia, hourly door prizes of vendor-donated gems and minerals, the sale of grab bags of rock and mineral specimens, a silent auction, and a Spin-to-Win. Fun activities for the younger crowd include a mineral dig, geode cracking and a kids-only silent auction.

As the show is in March, and the show is in Missoula, the ability to have field trips is sharply curtailed. So, new this year, we are offering the opportunity participate in "onsite field trips" where attendees can sift for sapphires, sift for garnets, sift for sunstones, and pan for gold.

The HMS show is hosting eighteen vendors. There are also three club tables with six club members (three on Saturday and three on Sunday) displaying and selling their wares.

Please check out the Hellgate Mineral Society on Facebook - <https://www.facebook.com/HellgateMineralSociety/> and online at <https://hellgatemineralsociety.org/>

For show information, please contact:

THINGS YOU SHOULD KNOW

The **AMERICAN LANDS ACCESS ASSOCIATION (ALAA)** is a 501(c)(4) organization. Its purpose is to promote and ensure the right of amateur hobby fossil and mineral collecting, recreational prospecting and mining, and the use of public and private lands for educational and recreational purposes; and to carry the voice of all amateur collectors and hobbyists to our elected officials, government regulators and public lands managers. Your annual individual/couple membership fee is \$25 which helps support their activities. Club membership is \$50 per year. Send to Treasurer, P.O. Box 54398, San Jose, CA 95154. Make checks payable to: American Lands Access Assn. Applications can be downloaded at: www.amlands.org on the left side of the page. For more information contact: Frank Mullaney, 408-266-1791, cell: 408-691-2655, [Rockyfv\(at\)aol.com](mailto:Rockyfv(at)aol.com)

The **AFMS NEWSLETTER** is published monthly except Jan-Jul-Aug by the American Federation of Mineralogical Societies.

Each NFMS member society should have three people (usually the Pres, Secretary and Editor) receiving the AFMS Newsletter. If they are not, or if anyone else wants to subscribe (\$5 per year). Contact: Linda Jaeger, 3515 E 88th St, Tulsa, OK 74137, [AFMSeditor\(at\)AMFED.org](mailto:AFMSeditor(at)AMFED.org) (918) 630-6498 or (918) 481-0249. Make checks payable to "AFMS".

The **NORTHWEST NEWSLETTER** is the official publication of the Northwest Federation of Mineralogical Societies (NFMS) and is sent to each club electronically in PDF form between six to ten times per year. It is the responsibility of each club to forward the newsletter to the membership. The newsletters are also posted to the Federation website electronically and archived there for members to review or download.

For matters related to this newsletter (i.e. content, advertising, etc.) contact the editor.

SHOW COORDINATION. Your Federation provides a free service for NFMS members by listing your show in this Newsletter, on the NFMS website, two magazines ("Rocks and Minerals" and "Rock and Gem") and the on-line calendar from "Lapidary Journal". Please provide the date and time for the show, the club name and show title (if applicable), the location of the show, admission price, and most important a contact person with address, e-mail address and/or phone (e-mail is preferred). Please send your show information four to six months in advance to the Show Coordination Chairperson. If you see an error once your show is listed, or if your show is not listed, contact the Newsletter Chair

SAVE STAMPS PROGRAM. NFMS members are encouraged to use and save commemorative stamps. The money generated from the sale of these used (cancelled) stamps is then donated to Junior Fund. The collected stamps can be sent to the **Stamps Chairperson**, brought to the NFMS Annual Show or given to your Federation Director in your club.

ATTENTION CLUB TREASURERS**Where to send your money**

To NFMS Treasurer for:

1. Dues (new and renewal) and supplies
2. Donations for the general fund

***Due to changing to an electronic newsletter, clubs are no longer required to send contact information throughout the year for members who are added or removed from their roster. Directory will now only require the contact information for the board members of each club. If you would like to contact a specific person in another club, please contact their club.**
