Fritz Mack President

I would like to thank all the committee people weather they work for their club or their Federation or both. It takes all of you to make the hobby go and grow. It takes hands to make the job easier. And big THANK YOU to the Lakeside Gem and Mineral Club for Hosting the Mid-Year Meeting.

Just a reminder to all club members who are planning a field trip this summer on behalf of your hobby be sure you know the rules and guidelines no matter what State you are in.

Please read or re-read the Field Trip Update by Doug True, Inter Regional Field Trip Chairman. Doug has done a lot of research on this matter and knows what he talking about. I sure don't want to see or hear that you had to pay a big fine or go jail. If you play by rules this won't happen and you can still enjoy and have fun.

For those clubs that think that you can't sponsor a Federation show, please talk to Chuck Sonner. He is in charge of this year's Federation show and he started with nothing except a little ambition. Thank you, Chuck.

Hope to see you all at the Annual Meeting in Chehalis Washington, July, 29-31-2011.

THINGS YOU SHOULD KNOW

The **AMERICAN LANDS ACCESS ASSOCIATION (ALAA)** is a 501(c)(4) organization. Its purpose is to promote and ensure the right of amateur hobby fossil and mineral collecting, recreational prospecting and mining, and the use of public and private lands for educational and recreational purposes; and to carry the voice of all amateur collectors and hobbyists to our elected officials, government regulators and public lands managers. Your annual individual membership fee of \$25.00 helps support their activities. Club membership is \$50 per year. Contact: Shirley Leeson, ALAA Vice President, P.O. Box 23, Tendoy, ID, 83468, shirleyleeson@cox.net or beauholland@centurytel.net

The **AFMS NEWSLETTER** is published monthly except Jan-Jul-Aug by the American Federation of Mineralogical Societies. Each NFMS member club should have three people (usually the Pres, Secretary, and Editor) receiving the AFMS Newsletter. If they are not, or if anyone else wants to subscribe (\$4.50 per year). Contact: AFMS Central Off., Steve Weinberger, P.O. Box 302, Glyndon, MD 21071-0302 cebar62@aim.com Make checks payable to "AFMS".

The **NORTHWEST NEWSLETTER** is the official publication of the Northwest Federation of Mineralogical Societies (NFMS) and is usually published ten (10) times per year. This publication is brought to you through your club membership in NFMS. The purpose of the Northwest Newsletter is to keep all

NFMS members informed of activities and events pertaining to the business and services of the Federation. The Newsletter is printed and mailed to approximately 3500 homes in six states by Burley Reminder in Burley ID. For matters related to the Newsletter (i.e. content, advertising, etc) contact the **Newsletter Editor**. For matters related to the Newsletter circulation (new members, address changes, etc.) contact **Circulation**.

SHOW COORDINATION. Your Federation provides a free service for NFMS members by listing your show in this Newsletter, on the NFMS website, two magazines ("Rocks and Minerals" and "Rock and Gem") and the on-line Calendar from "Lapidary Journal". Please provide the date and time for the show, the club name and show title (if applicable), the location of the show, and most important a contact person with address, e-mail address and/or phone (e-mail is preferred). Please send your show information four to six months in advance to the **Show Coordination Chairperson**. If you see an error once your show is listed, or if your show is not listed, contact the **Newsletter Editor**.

SAVE STAMPS PROGRAM. NFMS members are encouraged to use and save commemorative stamps. The money generated from the sale of these used (cancelled) stamps is then donated to Cancer Research. The collected stamps can be sent to the **Stamps Chairman**, brought to the NFMS Annual Show or given to your Federation Director in your club.

NFMS NEWSLETTER AND WEBSITE ADVERTISEMENT

Members, Non-members, clubs, etc. can advertise in the Northwest Newsletter. This service is provided to help defray the cost of printing and mailing the newsletter and is encouraged by the Federation. The only criteria for the ad is that it be hobby related (e.g. rocks, equipment, grit, shows, etc.).

Ads for the Northwest Newsletter are \$1.50 per square inch.

Example: 3" x 4" ad = 12 inches

12 inches x \$1.50 = \$18 per issue of the Newsletter. For an additional 50% of the cost of the Newsletter ad, you can have the same ad placed on the NFMS website for the same length of time. The Newsletter ad must be purchased to receive this additional advertisement.

Do not send ads on colored paper because the back-ground will look gray in the ad. The Editor will send a billing statement to the customer which will include instructions to make payment to the NFMS Treasurer. For more information or questions, call, e-mail or write the **Newsletter Editor**

To see this newsletter in living color and to see it by the first of the month go to <http://www.amfed.org/nfms/newslet2.htm> and click on the month you want to see.

NEWS OF INTEREST

Kathy Moedl 2nd VP

At the time of this writing my husband has been missing for almost 11 weeks. Not a clue where to find him. It is by far the hardest thing I have had to go through (lucky for me that I haven't gone through anything harder yet). My mind has not been able to concentrate on any detail for any length of time before it shuts down. I am listing to one side most of the time.

The last time I wrote in the NFMS newsletter I wrote about "My Strange Addiction" of rock hounding and how glad I was to have a "support group" for this addiction (NFMS and local IFG&MS). I keep thinking about that with a smile. The field trips are in full swing and I enjoy the great "therapy" of getting out rock hounding. I enjoy how therapeutic it is to polish the rocks, to work a cabochon on the grinder. It gives my mind a chance to do something that soothes. My strange addiction isn't so strange...but it is a wonderful addiction and I'm glad to have it.

My daughter and I have decided to move forward and continue our plans to go to the AFMS show in Syracuse, New York in July where she will compete in the Educational division in the Master category. Our current situation has put a stop to the original plan of driving to New York. Now we hope to fly, however we would be unable to take the showcase, glass front, risers and box of rocks on the plane. Is anyone planning to drive to the AFMS and would have room for these items?

Notice to Bulletin Editors:

By Peggy Blickfeldt

Well, the show will soon be upon us and we will get to meet and visit with each other. Also we will get to see the winners of the Bulletin Aid Contest. There were some very good entries.

The awards will be given at the editor's breakfast. The Breakfast will be held at the Senior Center on Saturday 30th at 8 am. The cost is \$6.00. If you are going, you need to fill out the pre-registration form which can be found on the website. Chuck needs this so he will be able to plan accurately for the meal.

After the breakfast and the awards there will be a short presentation on how to enter the editor's contest. Also there will be time to ask questions to any of the other editor's and maybe get ideas on how to improve or just change your bulletin or newsletter. I really would like all editors to send me their email addresses and phone numbers to pblick@ymail.com . I need these so I can keep in touch with you.

Looking forward to seeing and meeting all of you and getting to know you better. Thanks for your support.

Public Review of Rockhound State Park Management Plan

by MaryKay Brady

[Excerpted from Friends of Rockhound SP newsletter]

It was standing room only at Rockhound State Park on Tuesday, March 29th. Folks started arriving at 5:00 for the meeting scheduled to start at 6:00. The purpose of the meeting was to allow the public to review and discuss the recent Rockhound State Park management plan, drafted by the NM State Park managers. It included a proposal to ban rockhounding within the State Park.

The following representatives attended from Santa Fe: John H Bemis, Cabinet Secretary (designate) for Energy, Minerals and Natural Resources; Tommy Mutz, State Park Director; Dave Gatterman, Park Projects; Christy Tafoya, Archeologist; Cynthia Lovely, Park Planner. Other State Park managers: Rolf Hechler, Region 3 superintendent; Robert V. Apodaca, Rockhound/Spring Canyon Park Superintendent. Special guests in attendance were: Representative Dona Irwin, Deming City Council; Linda Enis and David Sanchez; John Sutherland, Luna County Manager along with Mary Galbraith, Executive Director of the Chamber of Commerce; Linda Smrkosky, Economic Development; and Virginia Pool and Pat Guthrie, representatives of the Deming Luna County Museum.

Many members from the Deming community spoke about how much rockhounding has meant to them as well as the reason they settled in this area. Several out of state people in attendance commented that they spent \$2,000 and more per visit to this area.

Comments included limiting the area where rocks can be gathered; lowering the amount of rocks (currently 15 pounds) and setting limits like how much per person per day for those guests camping the 21 day limit.

Mr. Bemis & Mr. Mutz were very pleased with the turnout and quite impressed to see that folks did respond—they now understand that we DO read the management plans. It was my impression and other Friends members that the park will remain as always—no ban on rockhounding but perhaps some more clear delineations of where and how much.

Mary Galbraith from the Chamber of Commerce had numbers of RV's and folks who came into the visitor center during Rockhound Roundup—the numbers were significant.

Thank you so much to all of you Friends who attended, e-mailed, faxed and wrote letters. We could not meet our mission of preserving, promoting and protecting without all of you!

One example of the outpouring of support was told to me by Linda Enis, City Councilwoman, who said she received 70 e-mails from all over the US in favor of Rockhound State.

From the Editor's Rockpile By Beth Heesacker

Summer is finally here. Rockhounds are sticking their heads out of their winter hibernation holes (their lapidary shops). It is like watching the prairie dogs peeping out of their little holes. It feels so good to have a little bit of sunshine again. We all crawl out blinking and stretching with a wary eye for predators. Predators??? Yes, predators.

In every part of the country there are those who would like to take away access to our rockhounding sites so we must be vigilant. But there are other predators too. We are sometimes our own worst enemy.

Protect the land by not leaving big holes for yourselves and others to fall into. Take care of your tools so they will be faithful helpers and not fly apart as you use them. Watch out for overhangs and other dangerous situations as you search for that precious rock.

Keep an eye on your fellow rockhounds and warn them if they seem to be getting themselves into trouble. There are so many things that could put a rapid end to our fun this summer.

I hope to see many of you as I exit my hibernation, stretch and enjoy the summer. A very Happy Father's Day to all the Dad's Granddads and Step-Dads and a safe and joyous 4th of July.

The August edition of the Northwest Newsletter will come out a bit later in August and include any follow-up on the NFMS Annual Meeting. The deadline for articles will be August 3rd. Please plan your articles and announcements accordingly.

Field Trip, Public Lands and the Annual Show

By Doug True, Field Trip Chairman

I would guess that by the time you have read this, the Hampton Butte fieldtrip will be history. It has been fun working with the USFS and the BLM setting this up. I think that working with instead of against will help keep our collecting sites open in the future.

As of 15 May we have over 250 collectors that have indicated they were going to attend this trip. With 6 trip leaders this should go smoothly and I would like to thank all of those who have stepped up to help with this event. I will give a full report on the trip in the next issue.

The article I wrote on the Public Lands and the permitting requirements has caused a number of different reactions, some saying that this was not true and I was just trying to stirrup or cause problems. Others called the BLM and received a number of different answers. My main source of the information came from the information distributed by the BLM, Billings, Montana office and the fact that every time I have gone to the BLM and talked about a Non-Profit fieldtrip, the first thing out of there mouths was, you will have to apply for a recreation permit, in Wyoming I was told that 20 or 100, I still needed a permit. Others have called their local offices and have been told that a permit was not needed. SO there are a number of interpretations throughout the west. I guess the best way to deal with this is simple, just call your local district and ask!!!

Our NFMS Show will soon be here and it's time to get involved, show the rest of the federation what you have to offer. There will be a live auction during this event and I would like to see everyone check out that shed or garage and donate some of that extra material you have been buying or collecting over the past years. You and I know that you will never cut or use it all! Donate it and ask that some of the monies be set aside to support our multi federation fieldtrips. The trip at Hampton Butte will have cost over \$500 when all is said and done. So step up and help us.

I hope everyone has a great summer

"HELP WANTED"

Our NFMS webmaster is looking for a new, beautiful, talented, tech savvy webmaster to take over the web site and take

our clubs to new heights. I am ready to retire again. E-mail Jack Eads if interested.

jacke@wavecable.com

Circulation Chairman's Report

By Tom Buchard

I have completed updating the mailing list from the rosters each club sent in with their federation dues.

From the rosters the following changes were made: 966 additions; 813 deletions; 135 changes of address. In addition to those numbers I should include the changes made from the information I received directly from your clubs: additions 162, deletions 84; changes of address 16. In all, the federation grew this year! Congratulations!

Now, all who should shall receive a newsletter, and we will not spend money on sending newsletters to those people who no longer belong to the federation. The newsletter is our federation's biggest single budget item.

Jack Eads, our Web Master, has kindly offered to send an "Early Edition" notification to those people who wish to download the newsletter, instead of taking one of the valuable print editions. The Golden Spike club has ten members that now take the electronic version of the newsletter. We will soon have more signed up to do so. One reason is that they won't have to go to the web site and download it. I will do that for them and send it to them as attachments to their e-mail. I will only do this for my club.

If you think keeping track of physical addresses is complicated, try keeping track of more than FOUR THOUSAND e-mail addresses. But, perhaps someone in your club might be able to offer this incentive to your club members.

I am amazed, and proud, that the NFMS sends a newsletter to each and every member of the federation. But we should strive to keep this 'increasing' cost, as minimal as we can. As of right now there are only 13 members of this federation who have let me know that they no longer want a print newsletter sent to their homes.

ANNUAL MEETING, CONTINUED

A REMINDER AND REQUEST FROM THE CREDENTIALS COMMITTEE

The NFMS Credentials Committee Chairpersons, Clara & Del Walker, must receive the names (only) of Club Directors and Delegates as soon as possible (ASAP) for planning purposes of the meeting. The annual meeting will be held at 6:00 p.m. on July 29, 2011. Registration is open one hour prior to the meeting at the SW Washington Fairgrounds, Chehalis, WA. The Credential forms below must be completed by the designated director/delegate, signed by the Club President and Secretary, and **BROUGHT BY THE DIRECTOR AND DELEGATE** to the annual meeting. Or, this should be done by the alternate delegate(s), if necessary. Send the name(s) (not the credentials forms) at least two days prior to the meeting to:

The show committee hopes to develop a club in Lewis County, Washington. We still need help from Federation members. Donations are needed for both the voice & silent auctions. Some of the items that will be at the auctions are Montana Agate, Biggs Jasper, Wascoite and Sheep's Creek Agate to name a few.

We also know of a 36" saw blade and 8" trim/slab saw that will be up for auction. We need more than that to make our show a success. Make sure you bring a bucket with you. Remember, if you have something special, we have a long term silent auction table that works on a 60/40 split.

There are still a few openings for demonstrators. Let Patty Amos know (packrats2@q.com) if you can help. The auctions will show the type of material that is available. Our demonstrators and show cases will be the best advertisement for starting a club and the NFMS.
