Hi Folks,

It appears this is my last official message as President, since my term is complete on September 1. Again, thanks for allowing me the privilege of serving during these last three years. I have enjoyed it all immensely and look forward to seeing all of you in the future. By publication time, I will have gone to the MWF/AFMS Show and Convention in Minnetonka, Minnesota. I am looking forward to that experience and will perhaps write a note about it in September. I have passed the gavel on to Kathy Moedl who will now officially be your President, and I have every confidence in her being a capable officer. I wish her well.

I have managed to get in a couple of rockhounding experiences this summer and hope to take in a few more shows in the fall. I will be putting a lot of my efforts in the next couple of years toward getting things set for the 2014 Hatrockhound Happenin' NFMS Show here in Hermiston. We have dubbed it "The Biggest Little Show in Town", so you know it may be small, but we will greet you with charm and hospitality. Now off my public relations soap box. . .

Just a little note about the picture in this issue: In June, I went to North Carolina to my twin granddaughters' high school graduation and a mini reunion of all their siblings and significant others. There were 19 all together in the house along with 4 dogs and 3 cats - great fun and visit - snake bite, skydiving, cancelled flight included. The picture is of my four great-grand children. I thought it special and decided to share it. Family is another passion-along with rocks, dancing, and friends.

My best to all and enjoy those special finds-rocks, people, or any other gems in your lives. Have a great "balance of summer"!

From the Editor's Rockpile By Beth Heesacker

August Already ? ! ! ! Where did the summer go? I know that we have been having a great time with old friends and new friends on field trips this year. The rock shows we have attended have been great. I have acquired some more specimens for my micro-mount collection and for the giant rock pile in the backyard. Paul has been making spheres, cutting thunder-eggs and tumbling rock for jewelry making. It has been a busy time.

But wait!! Our club has more field trips! There are more rock shows! The summer is really not over for rockhounds until the last rock has been turned over (I always look on the back side of the rock to see what is hidden there). See you around the rock piles!!!

Like my new pic? Had our pictures taken at our church and I thought that this was especially mischievous. And yes, I purchased the copyright so I can use it. ☺

THINGS YOU SHOULD KNOW

The AMERICAN LANDS ACCESS ASSOCIATION (ALAA) is a 501(c)(4) organization. Its purpose is to promote and ensure the right of amateur hobby fossil and mineral collecting, recreational prospecting and mining, and the use of public and private lands for educational and recreational purposes; and to carry the voice of all amateur collectors and hobbyists to our elected officials, government regulators and public lands managers. Your annual individual membership fee of \$25.00 helps support their activities. Club membership is \$50 per year. Send dues to: ALAA, Ruth Bailey, 2857 Addison Pl, Santa Clara, CA 95051-1705 For more information contact: Shirley Leeson, ALAA Vice President, P.O. Box 23, Tendoy, ID, 83468, shirleyleeson@cox.net or beauholland@centurytel.net

The AFMS NEWSLETTER is published monthly except Jan-Jul-Aug by the American Federation of Mineralogical Societies. Each NFMS member club should have three people (usually the Pres, Secretary, and Editor) receiving the AFMS Newsletter. If they are not, or if anyone else wants to subscribe (\$4.50 per year). Contact:: AFMS Central Off., Steve Weinberger, P.O. Box 302, Glyndon, MD 21071-0302 cebar62@aim.com Make checks payable to "AFMS".

The NORTHWEST NEWSLETTER is the official publication of the Northwest Federation of Mineralogical Societies (NFMS) and is usually published ten (10) times per year. This publication is brought to you through your club membership in NFMS. The purpose of the Northwest Newsletter is to keep all NFMS members informed of activities and events pertaining to

the business and services of the Federation. The Newsletter is printed and mailed to approximately 3500 homes in six states by Burley Reminder in Burley ID. For matters related to the Newsletter (i.e. content, advertising, etc) contact the Newsletter Editor. For matters related to the Newsletter circulation (new members, address changes, etc.) contact Circulation.

SHOW COORDINATION. Your Federation provides a free service for NFMS members by listing your show in this Newsletter, on the NFMS website, two magazines ("Rocks and Minerals" and "Rock and Gem") and the on-line Calendar from "Lapidary Journal". Please provide the date and time for the show, the club name and show title (if applicable), the location of the show, and most important a contact person with address, e-mail address and/or phone (e-mail is preferred). Please send your show information four to six months in advance to the Show Coordination Chairperson. If you see an error once your show is listed, or if your show is not listed, contact the Newsletter Editor.

SAVE STAMPS PROGRAM. NFMS members are encouraged to use and save commemorative stamps. The money generated from the sale of these used (cancelled) stamps is then donated to Cancer Research. The collected stamps can be sent to the Stamps Chairman, brought to the NFMS Annual Show or given to your Federation Director in your club.

NFMS NEWSLETTER AND WEBSITE ADVERTISEMENT

Members, Non-members, clubs, etc. can advertise in the Northwest Newsletter. This service is provided to help defray the cost of printing and mailing the newsletter and is encouraged by the Federation. The only criteria for the ad is that it be hobby related (e.g. rocks, equipment, grit, shows, etc.).

Ads for the Northwest Newsletter are

\$1.50 per square inch.

Example: 3" x 4" ad = 12 inches

12 inches x \$1.50 = \$18 per issue of the Newsletter

For an additional 50% of the cost of the Newsletter ad, you can have the same ad placed on the NFMS website for the same length of time. The Newsletter ad must be purchased to receive this additional advertisement.

Do not send ads on colored paper because the back-ground will look gray in the ad. The Editor will send a billing statement to the customer which will include instructions to make payment to the NFMS Treasurer. For more information or questions, call, e-mail or write the Newsletter Editor

COMMITTEE REPORTS

Volunteers Are Made Of Gold – Our New Webmaster

By Judi Allison
President

I want to officially present Brad Larson from Owyhee Gem and Mineral Society in Caldwell, Idaho as our new Webmaster. Brad saw a plea of “help needed” and stepped forward without even being approached. Now, I consider that as precious as gold. He has extensive knowledge of web site creation and maintenance and already has some great plans for “reviving” and “refreshing” the web site.

Brad’s email for the site will be nfms.webmaster@gmail.com. I encourage each of you to take a look at the “Clubs” page on the site and see if the information is correct. You can let Brad know about any changes that might need to be made.

I do want to remind you, though, that you continue to send your show information to Pat Lambert, the Show Coordinator. She will be certain the information gets to Brad.

I also want to thank Bryan Schroeder for his willingness to take on the position when he was approached. It was his first attempt as Webmaster and he took on the challenge of the steep learning curve. He simply found that the job and the learning process needed many more hours than he could devote to it. He also needs to take care of some personal issues, so Brad’s offer came at a perfect time for Bryan. Again, thanks Bryan, and we wish you well.

Dust In The Wind

By Chuck Sonner
Safety Chairman

Dust in the Wind was a song recorded by the group KANSAS in 1977. What does that have to do with rockhounding? Good question.

The first answer will be a personal experience. In the early 1990’s I volunteered for a church fundraiser to load hay onto trucks and off load into barns. The first barn we delivered to had old hay and mold on the floor. I can’t believe I offered to scrap and sweep. It did not take long for something to happen. I had my first and only allergic reaction. I could not breathe. For years, my wife used inhalers for breathing problems. I did not fully understand what she was going through until that moment.

Dust in the wind can bring unintended consequences. Central California, northwest of Coalinga, has road closures due to asbestos fibers in and on some county roads. Bakersfield California has an area known for *valley fever*. I collected shark teeth there in the 1950’s. Arizona also has locations known for *valley fever*.

Dick Parks sent me an article on erionite, a form of zeolite. This article said erionite causes mesothelioma. There are a number of locations in the western united states that contain this mineral. Check fairwarning.org for the complete article.

What should we do? Maybe we should carry dust masks in our rockhounding kit. At a minimum, awareness of our collecting sites is a must. Remember, *Dust in the Wind*.

This page was inadvertently left out of the NFMS Directory. Please copy and insert. Thank you.
