

2022 Annual Meeting Update FORMS to fill out!

**Larry Hulstrom, NFMS President
Roberta Hanson, PRGMSA Show Chairman**

The 2022 NFMS Annual meeting will be held in conjunction with the Portland Regional Gem and Mineral Show Association (PRGMSA) annual show Friday September 30 through October 2. The meeting and show will be held at the Wingspan Event and Conference Center, 801 NE 34th Ave., in Hillsboro, OR, 97124 (across from the Hillsboro airport). Included in this issue of the newsletter is the **Advanced Registration form** (covering the NFMS Annual meeting, the Awards Banquet, and the Officers luncheon), i.e., all of the meals. Also included are the **Competitive Exhibit Entry forms** for both the NFMS and the PRGMSA. Yes, there are two forms since each organization has its own competitions. Read the forms carefully and complete one or both as needed. Note that both organizations follow the AFMS Uniform Rules. For those not wanting to compete but still enter a display case there is also a **Non-Competitive Exhibit Entry form**. **The PRGMSA has also provided a description of additional details in the Exhibitor Advisory and Supplemental Rules (3 pages).** This covers items such as accommodations in the area, parking, and the PRGMSA awards presentation for special trophies and awards that they provide. Note that this awards presentation is separate from the NFMS Awards (which are presented at the Saturday evening Awards banquet). Be sure to read all of these forms for the details and contact information if you have questions.

More details regarding the show, attractions in the Hillsboro and Portland OR area will be coming in the next NFMS newsletter.
